Memories

The 1953 MARQUETTE has endeavored to preserve permanently the memories of school days. Instead of the familiar bell at 8:30 A.M., which marked the beginning of the school day, many former students will be answering the call of a whistle, a bugle, or some other similar signal. High school days and the happiest and freest days of one's life, and memories of those days are well worth preserving. For many years to come the Noll graduate can again relive his high school days through these pages.

To the incoming freshman high school is a very strange and intricate establishment. His senior year seems very distant. However, the regular curriculum interspersed with many co-curricular and extra-curricular activities transforms the green freshman into the sophisticated senior almost before he realizes it. It seems only yesterday that he was entering high school for the first time; and now he is about to graduate and join the ranks of the Alumni.

Those four fleeting years, however, hold many memories, some of which are preserved within these covers for the enjoyment of those who will for many years to come again and again read and peruse.

REV. ALFRED J. JUNK

PRINCIPAL

After his ordination to the priesthood in 1933, Fr. Junk came to Noll as a member of the faculty. Besides fulfilling a normal teaching assignment, he also coached all athletics during his first two years. In 1939, after six years of teaching, he became Principal and succeeded Fr. Conway in that capacity.

When Fr. Junk first came to Noll, there was a student body of less than two hundred. His administration has seen the steady increase of students to the present enrollment of almost thirteen hundred. This increase has necessitated the construction of the new wing of eighteen classrooms and office accommodations and even the conversion of gymnasium space to classrooms.

Fr. Junk is President of the Board of Directors of St. Margaret's School of Nursing and a member of the faculty of the nursing school there. He is the midwest delegate of the National Catholic Education Association. He is likewise a member of the Lake County Principals Association and of the National Association of Secondary School Principals and Superintendents.

St. Margaret Mary's Church

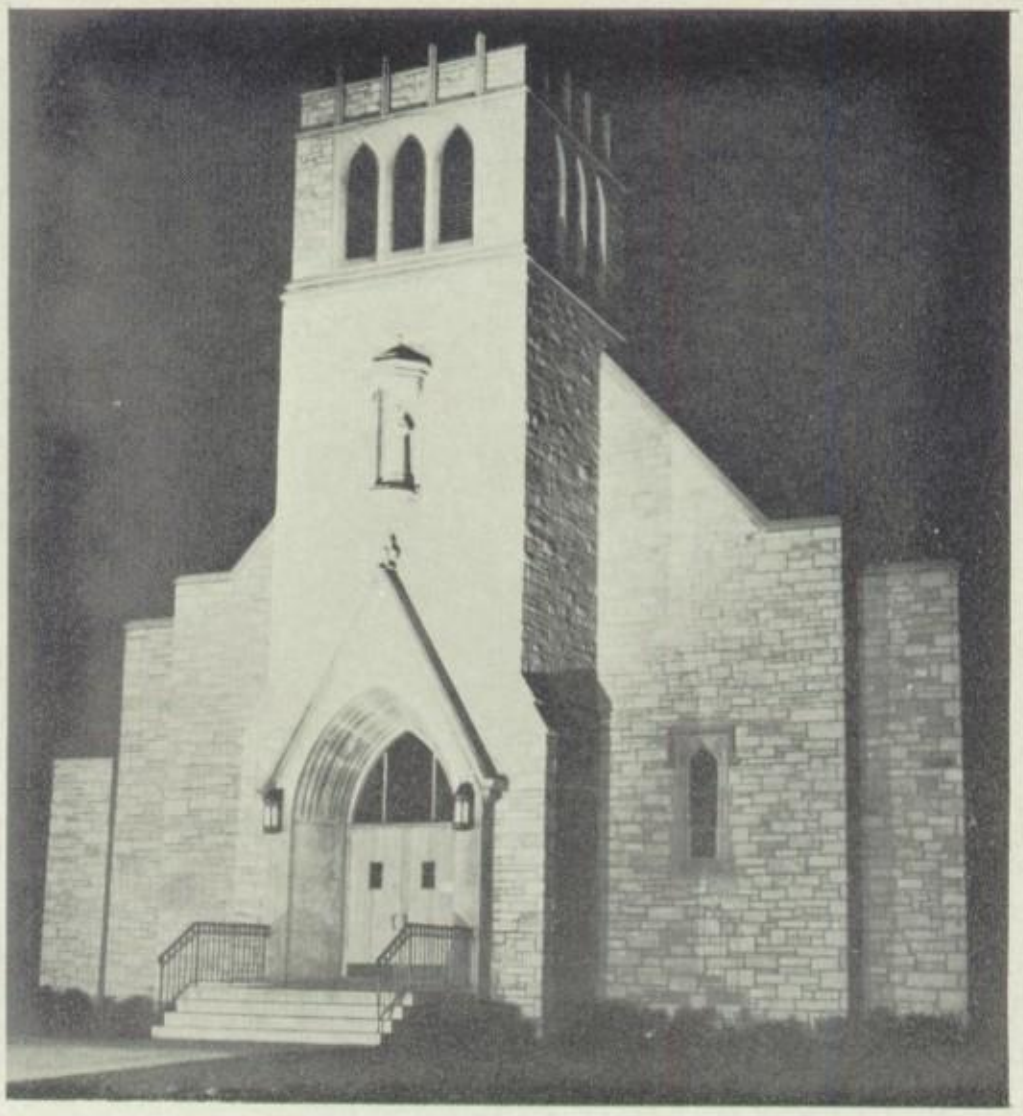
The church of St. Margaret Mary is situated on the west end of the school campus between the grotto and the rectory. On July 8, 1947, Bishop John Francis Noll authorized the Rev. Everard N. Klein, at that time a member of Noll's faculty, to form a new parish dedicated to St. Margaret Mary in the vicinity of the school. In the beginning a converted classroom served as a church for the new parish. Pastor and parishioners dreamed, worked, and prayed for a parish church. Finally their dreams became a reality in this structure of Wisconsin Lannon stone. The church has the simple dignity and charm of the Norman French Gothic style after which it is fashioned.

Ground breaking ceremonies for the new church took place on Oct. 15, 1950. On July 15, 1951, Bishop Leo A. Pursley, Auxiliary Bishop of Fort Wayne, laid the cornerstone of the new church. The first Mass in the new church was celebrated on Sunday, Aug. 24, 1952. Dedication ceremonies were held on Sept. 21, 1952, five years after the first Mass was offered in the newly established parish of St. Margaret Mary.

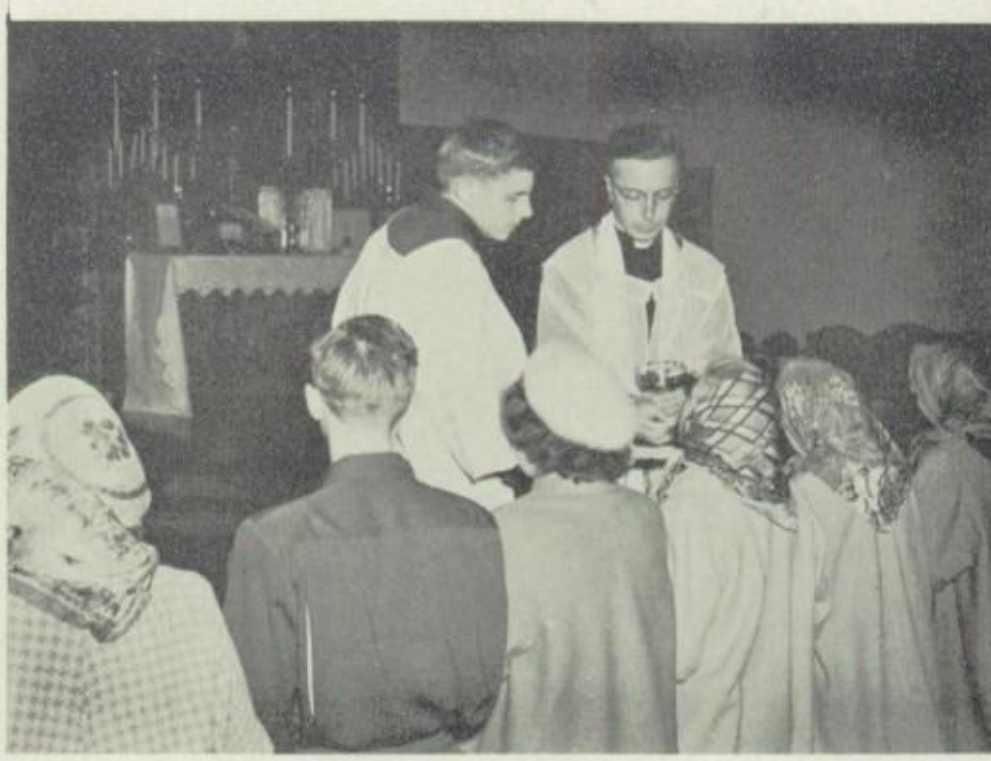
Each morning Mass is offered at an hour which enables students to attend Mass and receive Christ before they begin their daily studies. This is the first year that the students have had the advantage of an actual church on the campus grounds. Heretofore Mass has always been offered in the gym for the students, but now the church is a much more apropos setting for this sacred ceremony.

At noontime the students have an opportunity to make visits or the Way of the Cross. Different groups say the Rosary in the quiet peace of the church. Countless problems of students have been solved here. Many more graces are at the disposal of the students of Bishop Noll High School since St. Margaret Mary's has graced the campus.

Rev. Everard N. Klein, a former member of Noll's faculty, is the pastor of St. Margaret Mary's parish.

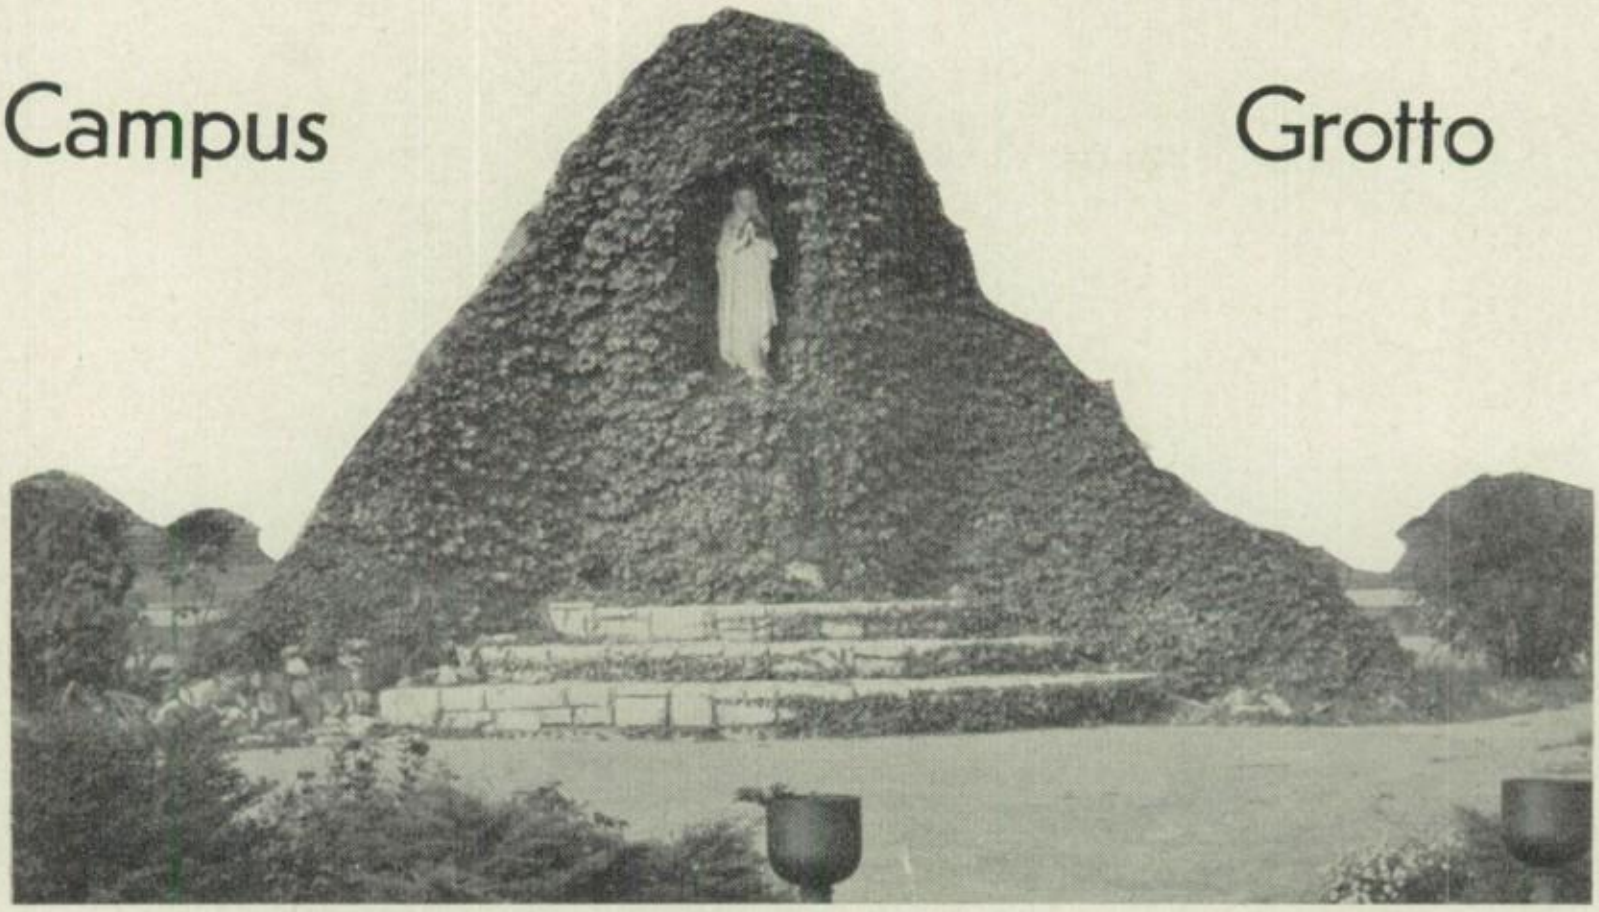


Spotlighted at night. St. Margaret Mary's Church stands as a fitting and beautiful tribute to God and its patroness.



Students attend Mass and Communion before they begin their daily studies.

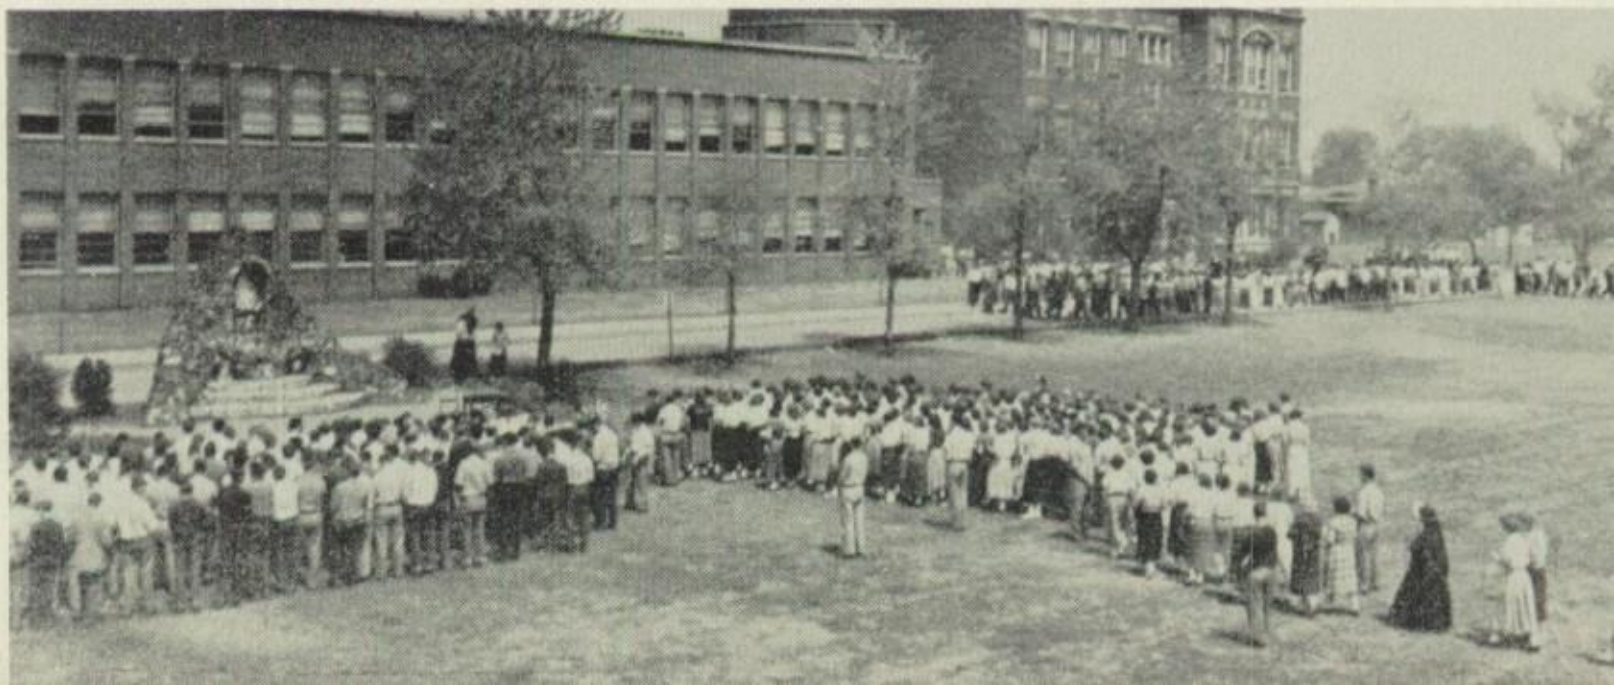
Campus Grotto



In October, 1941, some of the students of Noll, under the direction of Sister Mary Ivan, then and now a member of the faculty, took upon themselves the task of building a grotto in honor of the Mother of God. Some of the more artistic students designed and drew the plans for. it On October 12 they broke ground and the project was under way. All worked diligently. The boys hauled rocks, mixed cement, installed wiring, etc., while the girls supplied them with the needed energy by bringing food for them. It is interesting to note that in the grotto is a stone from the grotto at Lourdes, France. The work progressed slowly because it was done by students in their spare time with no outside help of any kind.

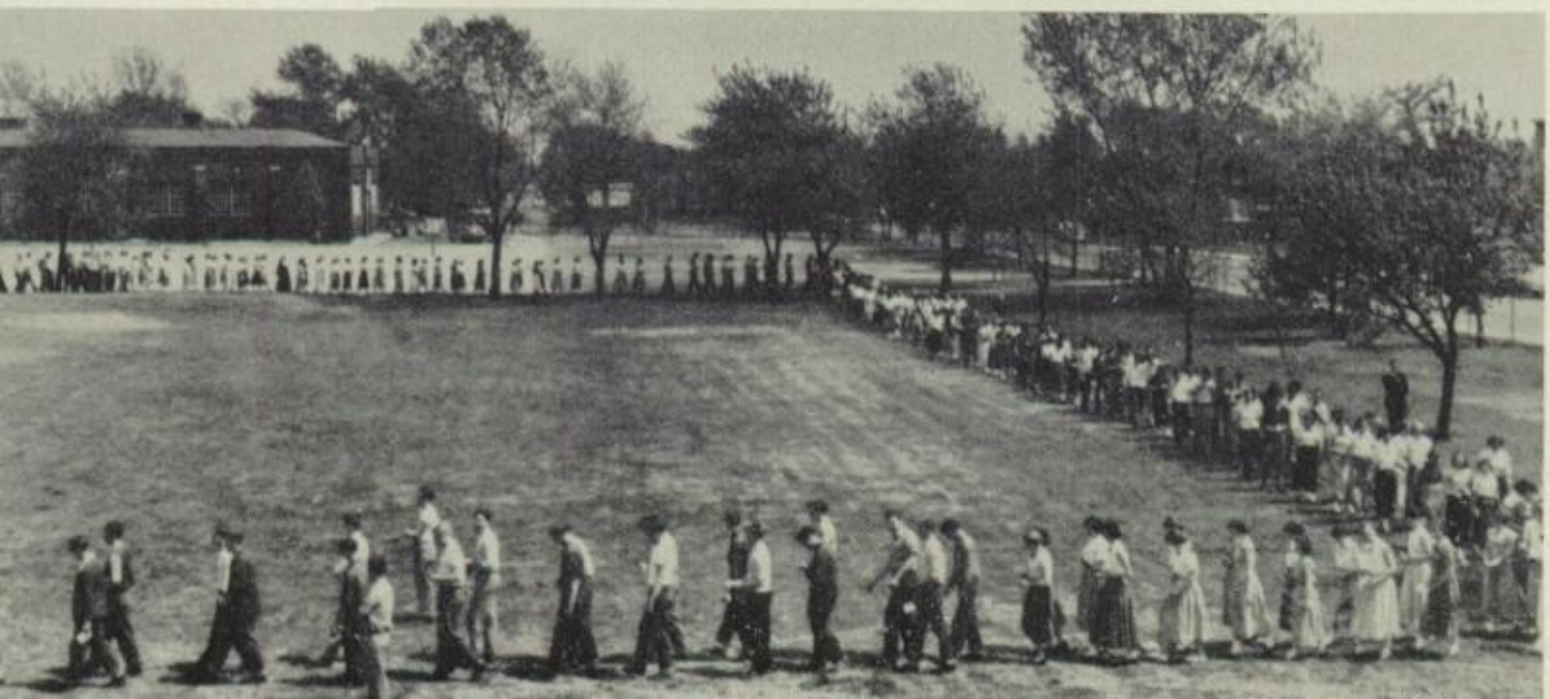
The project finally reached completion and was dedicated in September, 1942. Since that time the grotto has played a most important role in every student's school life. There Mary receives the repeated visits of her devotees. In October the students form the Living Rosary and pray for peace. In May they pay tribute to the Blessed Virgin by taking part in her crowning, singing her praises, and attending Benediction of the Blessed Sacrament at her grotto.

So today the grotto comes to be an important part of the school and school life. Thus does it stand on the campus as a symbol of Faith, Hope, and Understanding, beckoning to all of Mary's children to bring to her their problems and their joys that she may share them.



The May crowning of the Blessed Virgin is followed by Benediction of the Blessed Sacrament.

Mary's devotees frequently visit her campus grotto.



Each October the entire student body gathers before the grotto to recite the Rosary.

Administration and Faculty

Memories of the Administration and Faculty members will long remain with all Noll graduates. They are men and women, who have given their lives to the direction and Christian education of young men and women, and have done their utmost to make the students' life at Noll both worthwhile and enjoyable.

The Faculty is always ready to extend a helping hand to any student, regardless of the course he may have chosen: the Commercial, Scientific, Classical, or General. In each of these four courses the Faculty attempts to meet the needs of the students not only by developing certain skills, but also by fostering Christian attitudes and habits of conduct motivated by Christian ideals.

REVEREND A. J. JUNK

Fr. Junk, Principal, has spent his entire priestly life at Bishop Noll High School and has served in almost every possible capacity. Under his direction the school has made rapid strides in an increased enrollment and an expansion of its physical facilities.

SISTER MARIE CELINE, C.S.C.

Fr. Junk is very capably assisted in the administration of the school by Sister Marie Celine, C.S.C. who fills the offices of Assistant Principal, Dean of Girls, and Director of Studies. A wise and able administrator with varied experience, Sister is always guided in her many duties by the good of the individual student and the best interests of the school.

REVEREND F. J. MELEVAGE

Fr. Melevage is the Dean of Boys at Noll High. Besides being an excellent teacher of Religion and history and an accomplished musician, Fr. Melevage devotes many hours to individual guidance and the development of manly Christian character in Noll's men. His advice and counsel will be appreciated for years to come.

MISS GERTRUDE MAKOWSKI

Miss Gertrude Makowski is Fr. Junk's secretary and director of the Office Staff. Her efficiency in these duties and pleasant personality are known to all.

The object of the Mothers' Club is the promotion of the school and cultivation of better understanding of its work. Active membership in the Club includes the mothers of past and present students and women interested in the education and social advantages of Noll High School.

The Officers of the Mothers' Club for 1952-53 are grateful to everyone, especially students and faculty, who has helped make this a very successful year.

Activities

For most teen-agers, high school activities are most vivid and memories of them remain longest. This is easily understood, for students can, perhaps, more easily and readily express their personalities and talents in extra-curricular activities.

At Noll High students are offered many different types of activities. Each student chooses those which he enjoys most. His choice may be the Choral Club, Mission Society, or the Camera Club. Some delight in decorating for dances; others, in an activity like the senior play. Whatever the choice of activities may be, it constitutes a large and important part of high school life, and memories of these experiences will linger long.

Student Council

One of the most appreciated activities at Noll High School is the election of Student Council officers in May. A potential candidate for office must be in the upper third of his class. He may be nominated by petition or by himself. If he can fulfill these conditions, he may proceed with his campaign. During the election campaign the school walls are covered with posters and campaign slogans proclaiming the merits of the candidates and an air of excitement reigns supreme. It is a serious matter, however, no matter how much surface gaiety is involved, for the elected officers are the voice of the student body, and it is the duty of these officers to promote a better relationship between faculty and student.

During the scholastic year the Student Council sponsors various activities. The Winter Formal, one of their annual projects, was sponsored by an extra committee of students in addition to the Council members. A new project this year was the Cafeteria Aides who helped keep order in the cafeteria. Due to the splendid cooperation of the students in general, this project met with great success.

The greatest achievement stressing the viewpoint of the Catholic girl is the new crusade for modesty, known as the "S.D.A." (Supply the Demand for the Supply).

This new organization was begun by a group of young girls who realized the immodesty of the typical American woman and its effects on the world, and who were courageous enough to do something about it.

These girls went to designers and manufacturers and pleaded for more modesty, especially in the dress of the teen-age girl. They begged the girls to demand and to buy only those dresses which were modest and to shun those which were not.

There are members of the S.D.S. throughout the entire United States. They are not laughed at, but congratulated by the men and women of the country. These people are overwhelmed and overjoyed to discover that the girls have realized their influence on the morals of the country.

This may be a man's world. Perhaps a man is in charge of the Church, the government, and the home; but through all his governing, he is influenced by some woman. If there are better women, there will be better men; and if there are better men, the country will be a better place in which to live.

Twice a year at Noll students are selected by the Faculty for membership in the Marynoll Chapter of the National Honor Society. It is a society of leaders in all school functions.

Candidates for the Honor Society are students who rank in the upper third of their respective classes and who have completed at least two semesters at Bishop Noll High School. They are then selected by the Faculty on the basis of service, leadership, and character.

The Honor Society at Noll High offers to a boy and a girl a cumulative scholarship which continues for four years if an acceptable average is maintained.

BI-PHY-CHEM

Bishop Noll High School's budding scientists form the Bi-Phy-Chem Club. A student who maintains an "A" or "B" average in any of the three science classes automatically becomes a member of the Club.

The annual Science Fair is one of the projects of Bi-Phy-Chem. Each science student organizes a project for the exhibit. All projects are then judged, usually by science teachers from schools in the vicinity, and prizes are awarded in each of the three sciences, viz. biology, physics, and chemistry. The Science Fair shows the initiative of the students in planning and organizing the exhibits.

Sister M. Gabrielita, C. S. C., is the Tri-Opus Sponsor. Officers are Loretta Miller, president (standing), Charlotte Masse, vice-president, Joan Zurawski, secretary and Kathleen Matovina, treasurer.

TRI-OPUS

During the course of the year the Tri-Opus, a club for commercial students, attended a series of lectures and demonstrations given by businessmen. These lectures are to acquaint the student with the responsibilities of the employee.

One of the main objectives of the club is to help the students to lead a Christian life in the business world. The members of the Tri-Opus are those who maintain at least a "B" average in shorthand, typing, or bookkeeping. This club offers many helpful suggestions for the immediate present, but more especially for future reference in the commercial world.

PROP & PUBLICITY CLUB

Any sophomore, junior, or senior who has artistic ability or who is interested in advertising can find much pleasure in the Prop and Publicity Club. This club makes the posters for football and basketball games and takes over the job of advertising other school events and projects. They keep the school posted on current events.

To gain membership in the club, the student must submit a poster to the faculty and officers for their approval.

Fr. Junk, Faculty Sponsor, and Mary Mulflur, president (standing) inspect some advertising being prepared by Barbara East, vice-president, and Rosalind Stark, secretary-treasurer.

Journalism Club

The daily broadcast of the "Warrior on the Air" is one of the outstanding activities of the members of the Journalism Club. They are responsible for gathering the news and keeping the students posted on current events.

As a tribute to the seniors, the Journalism Club compiles the Senior Sketches. The members of the club are able to make good use of their interest in journalism by writing a small sketch telling a few pertinent facts about each member of the senior class.

Each member of the club is required to maintain a minimum of a "B" average scholastically to retain active membership in the club.

Mary Blake and Pat Rogan are co-chairmen of the Journalism Club. Sister M. Victorine, C. S. C. is the Faculty Advisor.

Marquette Staff

One of the biggest and most interesting activities of the senior is the production of Noll's yearbook, the Marquette. The staff is composed of seniors who are generous with their time and talents and are interested in compiling a yearbook of which the school can be proud. The yearbook should be a permanent record of the highlights of the school year, and the Marquette Staff has attempted to make it accurate and interesting.

C. S. M. C.

The Christhurst Chapter of the Catholic Student Mission Crusade is one of the busiest of all Noll clubs. Besides praying for the missions, they also do material things, such as the collections of money, stamps, Catholic magazines, clothes, and religious objects..

Through the monthly mission programs, held each first Friday of the month, the C.S.M.C. members seek to make the students aware of the great accomplishments of the foreign and domestic missions. They also try to make the students realize the missions needs and the necessity to work for the Christianization of pagan countries.

Mission Study Club

The Mission Study Club works in connection with the C.S.M.C. Besides the duties performed by the C.S.M.C., such as the collections for the missions, the Mission Study Club seeks to make the study of the missions, both home and foreign, more widely known and appreciated.

Today the point of world peace is stressed and prayed for, that Communism may not be victorious over the powers of good. The Mission Study Club also hopes to inspire some of Noll's students to join the missions as priests, brothers, or sisters to help spread Christianity and fight its enemies.

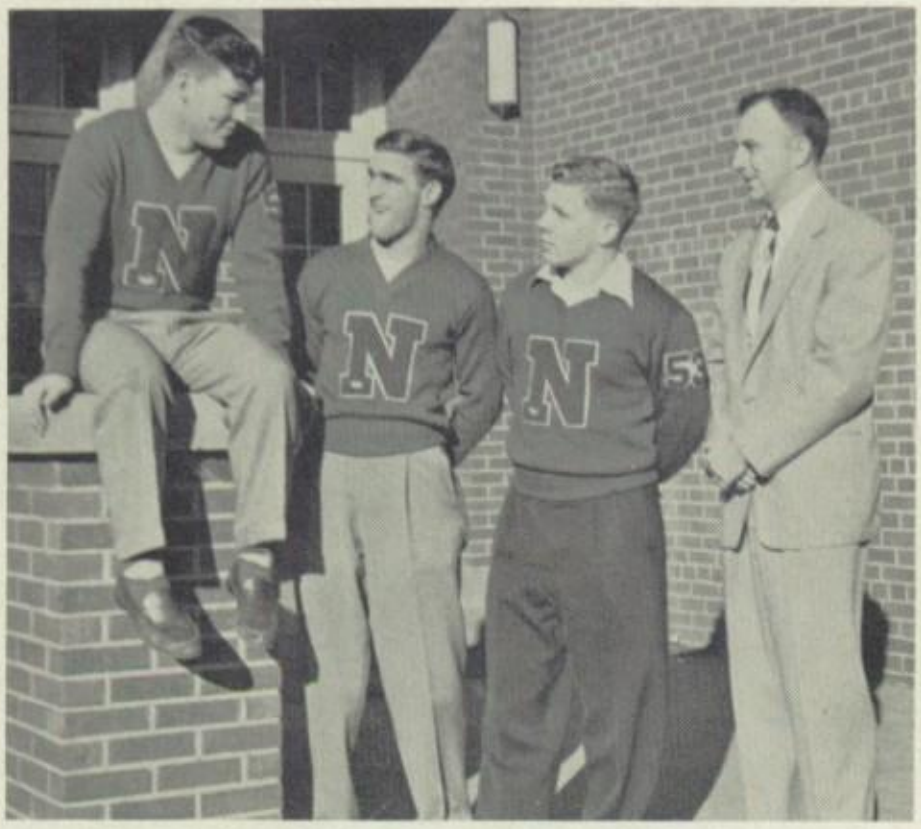
BOOSTER CLUB

Genuine school spirit is the only requirement for seniors who wish to join the Booster Club. Its members, in cooperation with the cheerleaders, help promote cheering at home football and basketball games.

The Booster Club helps plan pep sessions and also takes part in any special activities in connection with pep sessions. The presectional pep rally is the club's major pep session and usually employs the efforts of all Booster Club members. The Booster Club is a concrete example of how loyal Nollites back their athletic teams.

The drive and spirit guiding the Booster Club are largely provided by Charlotte Masse, president, Miss B. Herod, Faculty Sponsor, Rita Rueth, vice-president, and Carol Klaas.



Monogram Club

Wally Mauch, president, Ray Rovai, vice-president, Larry Grodzicki, secretary-treasurer and Mr. Buckley, Faculty Sponsor.

The Monogram Club is the goal of all athletes at Noll. To achieve membership, a major letter must be earned in one of the major sports of football, basketball, baseball, or track. One of the projects of the Monogram Club is the fostering of another sport, viz, boxing, by sponsoring an annual school boxing tournament in which Noll's aspiring pugilists participate.

To encourage competition among grade schools in the region, the Monogram Club sponsors the annual grade school basketball tournament in the high school gym. Many of today's Warriors made their first appearance in Noll's gym as members of a grade school team.

The Letter winners are awarded their treasured "N" at the annual Athletic Banquet at which all who participate in any sport are feted.

MONITORS

The Monitor system at Noll high is a project of the National Honor Society, and has for its aim the preservation of order in the school corridors. It is a large and difficult task to keep ,the overly crowded corridors orderly, but the Monitors do admirably well.

DRAMATICS CLUB

Students with an interest in dramatics are given the opportunity to participate in an annual play sponsored by the Dramatics Club. Besides acting, other phases of dramatics are also studied and carried out, such as staging, make-up, etc. Students who have participated in any of these activities may join the Dramatics Club.

CAFETERIA AIDES

Another first year group at Noll is the Cafeteria Aides. It is their duty to help the students keep the cafeteria in good order. The services of these students are completely voluntary and are a real contribution to the betterment of school life. Sponsored by the Student Council, the Cafeteria Aides have been most successful in making conditions more pleasant at lunch time.

Junior Red Cross

Preparing supply boxes for overseas shipment are Judy Mertz, secretary, Tim Galvin, treasurer, Carol Knapp, president, Sister Mary Andrew, C. S. C. Faculty Moderator and Mona Homolla, Vice-president.

Membership in the Junior Red Cross is completely voluntary and work done in co-operation with the Junior Red Cross is done entirely on the students' own time. The Junior Red Cross at Noll High participates in all activities of the Hammond branch of the organization.

Each year a collection is made that finances boxes of school supplies for children in lands that have been sorely effected by the ravages of war. This work of charity is done with a real Christian spirit to share some of our good fortune with those less fortunate.

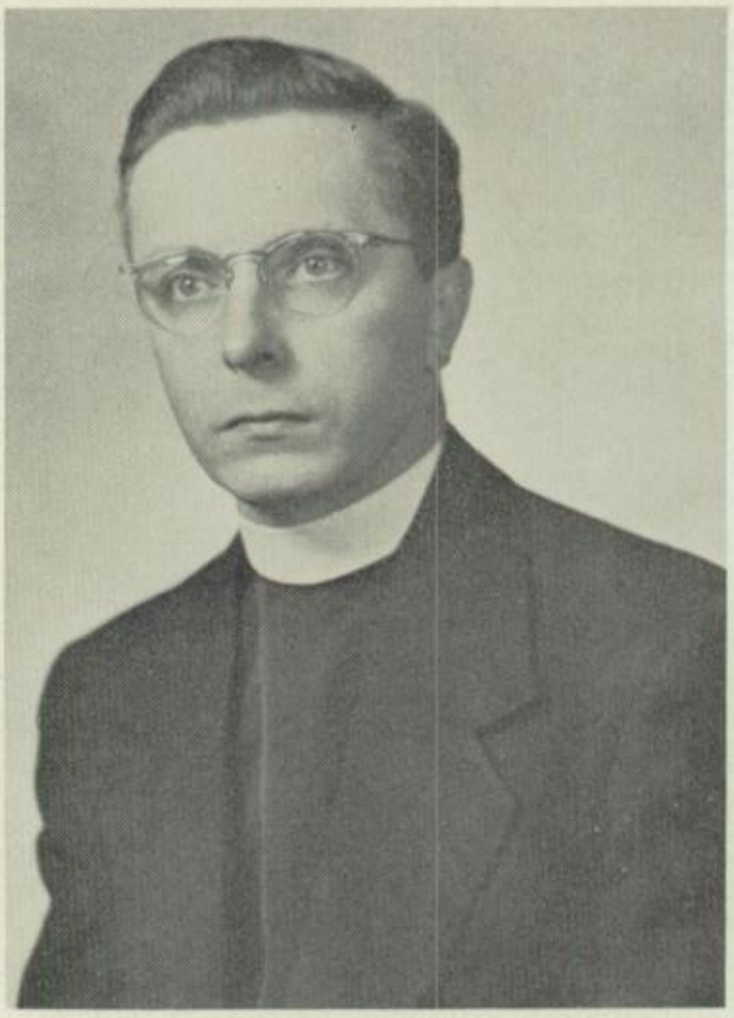
Music



The Rev. F. Melevage, who came to Noll in 1943, has become a very prominent figure at the school. Aside from his position as Dean of boys and teacher, Fr. Melevage is director of the Music Department and Senior Choral Club. The two annual projects of the Music Department are the operetta and the Spring Concert. Father has taken special music courses at St. John's University in Minnesota where he studied choral techniques under such famous masters as Theodore Marier of Boston and Edouard Woolley of Montreal. His love for music is intense and this love has brought many to a better appreciation of the art of music. Through his endless work, the choral clubs at Noll have gained the recognition and praise of all.

Sister M. Edith, C.S.C., is a newcomer to Noll's Faculty this year and has assumed direction of the Junior Choral Club. After preparing that group for its Christmas engagements, she stepped into the role of Assistant Director of the operetta. After the production of the operetta, she once again took up with the Junior Choral and began preparations for the Spring Concert. Sister Edith's musical ability is deeply appreciated at Noll and the Music Department is proud to claim her as a member of its Staff.

Men's Choir

A very special and different group at Noll is the Men's Choir. This is a purely voluntary group, under the direction of Fr. Melevage, of those who wish to devote their singing talents to God. The activity of these men is confined exclusively to liturgical singing in church. They study the beautiful Gregorian Chant of the Church, sixteenth century polyphony, and modern church music. The outstanding work of the Men's Choir is the music program for the Baccalaureate Mass each year at graduation time.

Junior Choral Club

Because of the fine reputation they have built up throughout the region, the Junior Choral Club, under the direction of Sister M. Edith, C.S.C., has an increasing number of engagements each year. This past year, for instance, they received numerous invitations to sing Christmas carols at various places. They were able to accept engagements to sing at the Mothers Club Christmas Party, Minas Department Store, the Hoosier State Bank, St. Ann's Home, the Calumet National Bank, and St. Margaret's Hospital. They help to establish the Christmas spirit at Noll by caroling in the school halls and also at the convent for the Sisters.

The Spring Concert (pictured below) is the high point of the year for the Club. A great deal of preparation in the form of hours of tiring practice goes into this annual event. The Junior Choral Club plays a major part in the program and helps to maintain Bishop Noll's reputation of having one of the finest choral departments in the region.

The prime requisite for membership in the Junior Choral Club is the ability to pass a voice test. Extensive voice training is given and when, in their senior year, they become the Senior Choral Club, they have quite well trained voices. This club contributes much towards the development of real culture and the appreciation of fine music.

The production of the annual operetta is the major project of the Senior Choral Culb. Although there is a great deal of glamor and enjoyment to it, there is likewise many long hours of hard work. The first curtain for Iolanthe was scheduled for Feb. 12, but rehearsals of the 212-page score began far back on Oct. 1.

With steady progress and a double cast, Fr. Melevage was able to separate the group into four divisions after the Christmas vacation: soloists under his own direction, dramatics under Miss Salon, Chorus of Peers under Sister Edith, and the Chorus of Fairies under Student Director Ruth Mauch.

The year was a ringer for the flu bug, and the Choral Club members were not immune. However, when opening night approached, everyone was present at the Whiting Community Center, and the show went on as scheduled.

All the hard work of the production was well rewarded when, for the first time in operetta history at Noll, ticket sales were so large that it was necessary to run four, instead of the scheduled three, performances.

While the operetta occupies the greater part of the Choral Club's time, it is by no means their only activity. The Spring Choral Festival, May 1-3, is another yearly highlight. Rehearsals for it began immediately after the completion of Iolanthe. During the course of the year the Club also presents about ten musical programs for parish events and special organizations in the area.

Classes

The most important work of the high school is, of course, accomplished in the classroom. The years at Noll help to prepare the student for future life in the world and in eternity. For some of the seniors, these classes are the last they will formally attend, for further education in college does not have a place in their plans.

A Catholic education is most important in that it gives the student a Christian foundation and outlook on life. The privilege of attending a Catholic high school is not enjoyed by all. The students of Noll High, therefore, should realize their singular privilege and be grateful for the years spent within its sphere.

Michael Hreha Heads Class of '53

The selection of senior class officers differs slightly from that of the other classes at Noll. While all underclassmen home rooms have a complete set of home room officers, the seniors elect a president of their class at large. This makes for greater unity of the class and does not have the tendency to divide the class into separate groups. The senior home rooms each submit a presidential candidate and select their prexy from the list of six candidates. After all senior ballots were cast and counted, Michael Hreha, a member of Assumption Parish, Indiana Harbor, carried the election and became the President of the Class of '53.

Each of the senior home rooms has its own vice-president whose office corresponds in a general way with the homeroom presidents of the lower classes. Senior vice-presidents officially head their own home room groups and are also, by virtue of their office, the mission representatives of their respective home rooms.

Other senior class officers for '53 are as follows:

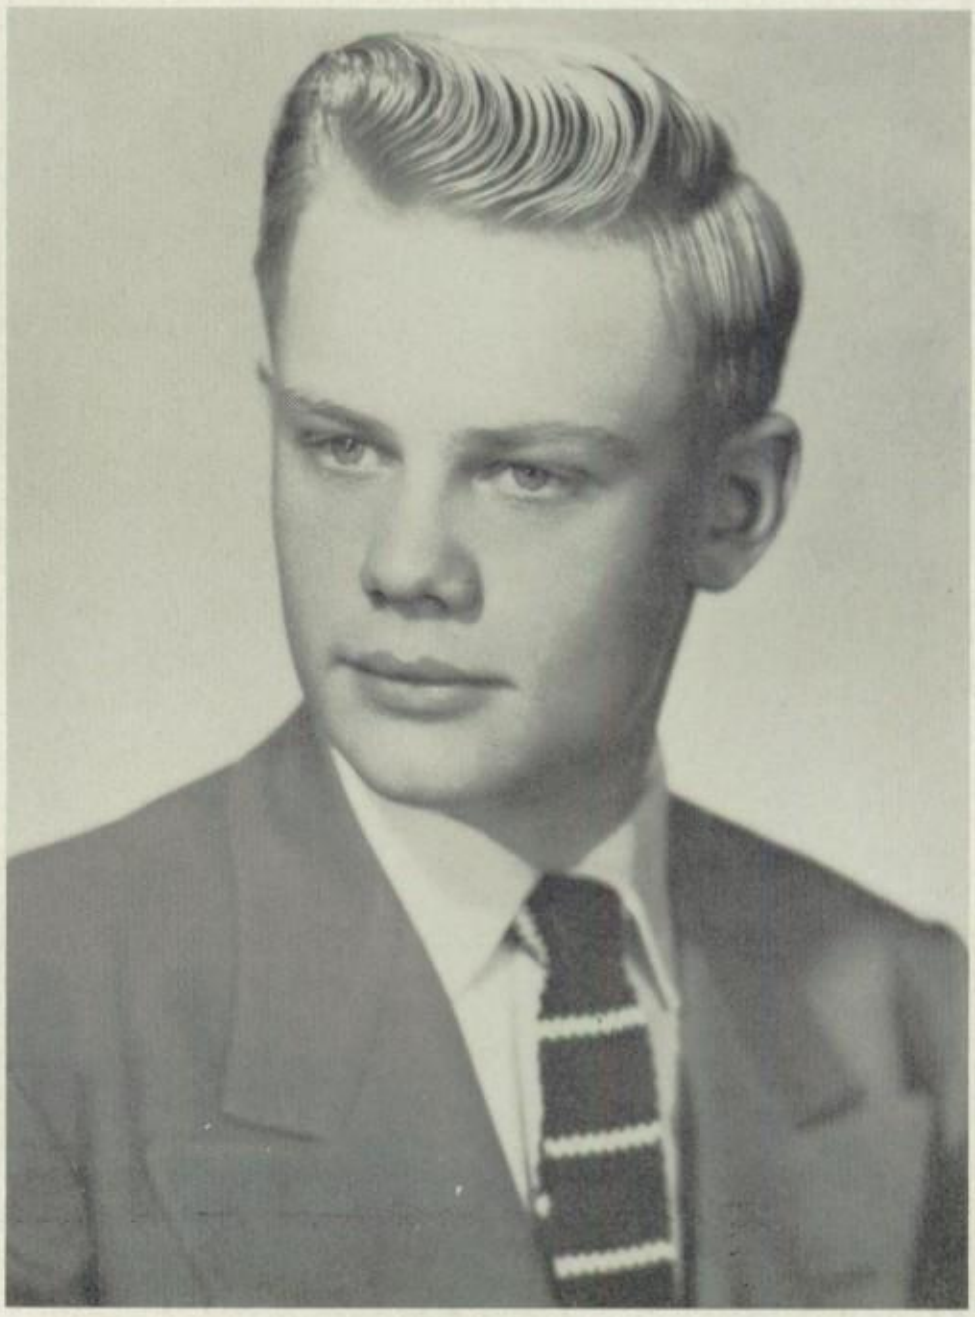
TOP HONORS GO TO TOP STUDENTS

ANNE MARIE CZECHANSKI AND BERNARD BALAS MERIT HONOR OF VALEDICTORIAN AND SALUTATORIAN.

The distinction of Valedictorian and Salutatorian is merited by the boy and girl of the Senior class who rank highest scholastically in the class. It is likewise a prerequisite that these honors be accorded to students who have been in attendance at Bishop Noll High School for the full four year high school term. The 1953 Graduating Class of Bishop Noll High School proudly presents Anne Marie Czechanski, its Valedictorian, and Bernard Balas, its Salutatorian.

VALEDICTORIAN

The Class of 1953 presents as its Valedictorian Anne Marie Czechanski. During her four years at Noll Anne Marie has followed the Classical Course. She is a member of the Bi-Phy-Chem Club, the Marquette Staff, and is the treasurer of the National Honor Society. Though not definitely decided on her future course of studies, Anne Marie plans to attend St. Mary of the Lake College.



SALUTATORIAN

The Salutatorian of the Class of 1953 is Bernard Balas. Quiet and unassuming, always a gentleman, Bernard pursued the Scientific Course during his four years at Noll and was a member of the National Honor Society. After graduation from Noll High, Bernard plans to attend John Carroll University and major in Commercial Statistics.

The Junior Prom marks the beginning of many social events which culminate with graduation.

Bishop Pursley addresses words of wisdom to the graduates.

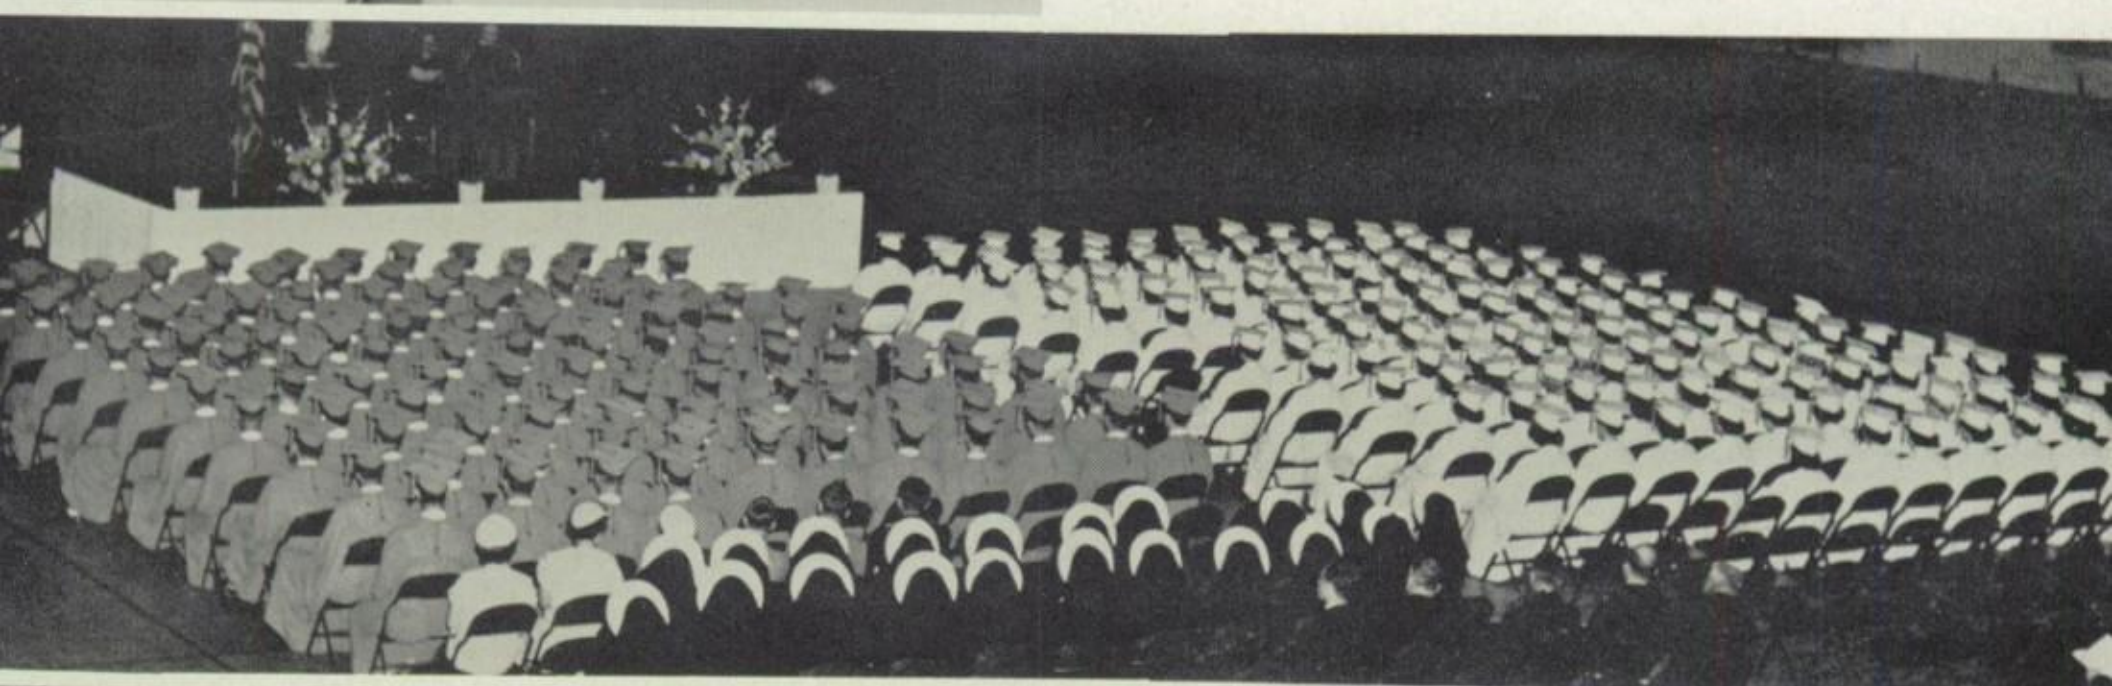
THE SCHOOL YEAR ENDS

The Junior Prom traditionally begins a round of even which crowd the end of each school year. Soon after the Pro the May Crowning of our Lady, in which the entire student bo participates, is held at the Grotto. The queen and her court c senior girls whose names are Mary or derivatives of Mary.

Final exams, held early for seniors, always cause mu anxiety which is quickly released at the senior picnic. T climax of the year, indeed, of four years, comes with gradu tion. Graduation exercises are opened with the Baccalaureo Mass and breakfast. Commencement exercises bring to t seniors their coveted diplomas and mark the end of one life's periods.

The seniors receive their diplomas from Fr. Junk.

Commencement Exercises are held at Hammond's Civic Center.



After the Baccalaureate Mass at St. Joseph's Church, Hammond, the seniors and their families attend a breakfast served by the Junior Mothers in Noll's gym.

Fr. Junk directs words of Congratulations and farewell to the Class of '53.

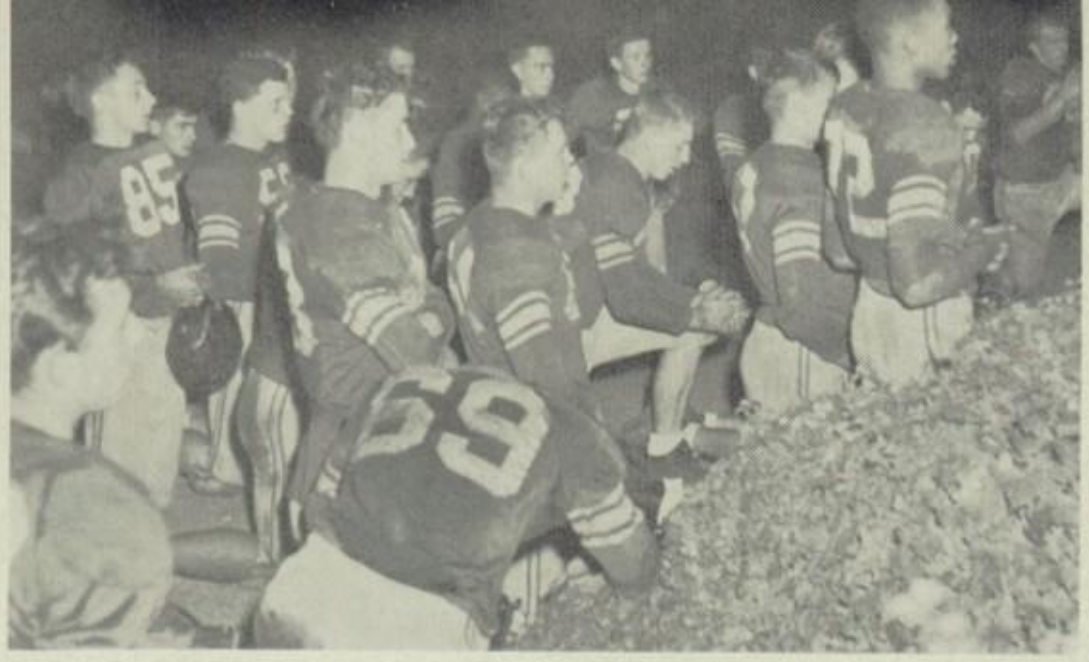
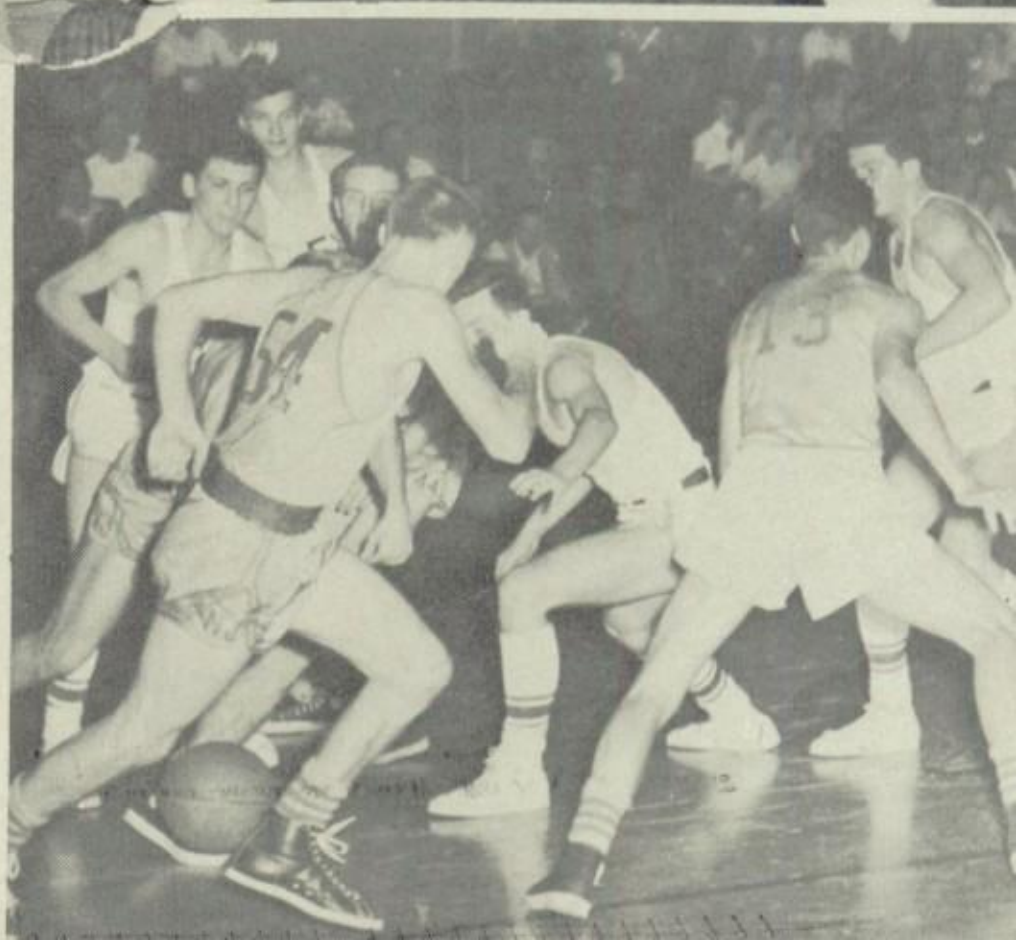
Athletics

Athletics at Noll play a large part in the lives of both boys and girls. The participants in the sports are boys, but the cheering sections at the games are composed of as many girls as boys. Noll's football and basketball games are always well attended and always provide a great deal of excitement.

Noll's basketball teams have provided many a thrill for fans in the annual Sectional Tourney and always seem to come up with something new and original. Noll is known for its fighting spirit and its teams in football, basketball, and baseball. It is a tradition of which Noll students are justly proud.

JOHN KACHUR





Athletic Board

REV. A. J. ZIMMERMAN

MR. KARLE HUFFINE

In 1936 the then Catholic Central High School graduated a young man who returned as a member of the Faculty in 1945. This is, of course, Fr. Zimmerman. A year after arriving, Fr. Zimmerman became Athletic Director and at the present time holds the position of Faculty Advisor of the Athletic Department. Along with his teaching duties Fr. Zimmerman is also faced with the tasks of publicity manager, contract supervisor, ticket manager, and arranging the schedule for future Warriors, viz. the grade school tournaments. Fr. Zimmerman, however, has succeeded in all his multiple duties and deserves congratulations for many jobs well done.

Four years ago Hammond Noll received new faces in the Athletic Department. Among these new faces was the man with the cigar and battered hat, Mr. Karl Huffine. He assumed the role of Fr. Zimmerman's co-worker and head coach of football. It wasn't long till he had the Warriors moving up and bidding for State recognition. After three years Coach Huffine brought his boys over the top to become the Champs of Indiana. Coach Huffine's secret, though never asked about it, is speed, speed and more speed. He is ever on the search for speed, and any fleet-footed Nollite is sure to be tagged by Mr. Huffine.

In every Athletic Department a coach is needed who is a jack of all trades. So it is with Mr. James Buckley, head coach of the baseball diamond, line coach of the gridiron, and assistant coach of basketball. Besides his wise coaching, Mr. Buckley is the inspiration of that "never-give-up" spirit that has won many a ball game for the Warriors. Coach Buckley enjoys the respect and esteem of all boys coached by him and in their minds will always be regarded more as a buddy than as a coach.

Another of Noll's four year coaches is Mr. Edgar Hudson, the master-mind of the basketball team. Each year he fields a team which improves progressively by the game and reaches its peak during Sectional Tournament time. The results have been many thrilling moments for all loyal Warrior fans. This year's team record was the best compiled under Coach Hudson's direction, and this should be a good omen for the future. Within the next few years Coach Hudson's teams should be among the best in the State of Indiana.

MR. JAMES BUCKLEY

MR. EDGAR HUDSON

Carol Schneider
Dianne Burgess
Louise Biancardi
Donna Orr
Loretta Miller is also a Warrior Cheerleader.

CHEERLEADERS

Pep, imagination, and generosity are among the prerequisites for every cheerleader. These girls constantly devise new cheers, and this is where the imagination is needed. It also takes a good deal of pep and generosity to invent new methods for keeping school spirit up. Noll's school spirit is known throughout the area, and it is the work of the cheerleaders that keeps this spirit alive. These girls, under the direction of Miss Herod, do an admirable job and are the pride of appreciative Warrior teams and fans.

STUDENT MANAGERS

The boys seen carrying the bags of footballs and basketballs, shoulder pads, first aid kits, towels, etc. are familiar sights and the unsung heroes of all sports fans. For the players, the student managers are invaluable. They do plenty of hard work, but do not receive any of the cheers, as do the teams. They do, however, receive the deep gratitude of the team. They serve the needs of the players and keep tab of all equipment. The "team behind the team" will always have the appreciation of the Warriors.

ROW 1: Dennis O'Connell, John Kozuba.

ROW 2: Bernard Wontorek, Tom Gozdecki, Pete Cergizan.

Jim Mellon is also a Student Manager.

NOLL WARRIORS HAVE ROUGH SEASON

7 - 2 RECORD

The loss of eighteen seniors through graduation, all of them experienced and on the heavy side, proved a great obstacle to Noll this year. Though inexperienced and comparatively light, the new Warriors faced the season with stamina and determination. The season's record was seven losses and two wins.

Wally Mauch is downed by the opponent.

NOLL 0 — LANE TECH 13

The highly confident Warriors invaded tthe Lane Tech boys of Chicago with hopes of stretching their win skein to 17 straight games. However, the lads from the "Windy City" were too much for the Noll youngsters and gave them a 13-0 lacing.

NOLL 12 — TOLLESTON 0

Tolleston offered the Warriors their first chance to even the record and the lads didn't pass up the opportunity. They came up with a 12-0 victory. O'Drobinak and Mauch drew scoring honors for Noll.

NOLL 13 — EVANSVILLE MEMORIAL 20

The Tigers of Evansville came north to play Noll. The Warriors tried hard to come up with a victory, but the Tigers couldn't be stopped. Mauch scored both Noll markers, while Koliboski kicked the conversion.

The men behin
the boys.

Rovai moves in for the kill.

Managers Pete Cergizan, Denny O'Connell, Jim Mellon and Tom Gozdecki gaze on intently.

NOLL 34 TERRE HAUTE GERSTMEYER 6

Stellar running and fine blocking were shown in this game with O'Drobinak scoring on 60 and 70 yard runs, Rovai intercepting a pass and running it back 42 yards for a score, Gardner on a short plunge, and Mauch on a 55 yard jaunt. Koliboski converted 4 out of 5 chances.

NOLL 7 SOUTH BEND CENTRAL 20

The Noll gridders went to South Bend to play the Central Bears. The Warriors were gunning for a victory, but the Bears turned the trick. However, O'Drobinak closed the gap with a short plunge and Koliboski converted.

NOLL 12 GARY ROOSEVELT 25

The boys of Noll tried to salvage a season marred by three defeats, but the passing on the Panthers proved to be too much. O'Drobinak and Mauch again teamed up for Noll's scores.

NOLL 13 THORNTON FRACTIONAL 14

The Noll Warriors, hungry for a homecoming victory, played host to the Meteors of Thornton Fractional. However, it was another setback for them as T. F. had too many guns. Rovai scored twice for Noll, once on a pass from Penny, and again on a plunge. Koliboski converted.

Jack O'Drobinak gets away.

NOLL 26 FREMONT, OHIO 33

The Warriors of Noll journeyed to Fremont, Ohio to try their luck elsewhere. Our lads were fairly successful, but couldn't do the trick. Ross's ace in the hole, Lester Franks, scored four touchdowns to cop scoring honors. The Noll scoring was done by Blocker, on a plunge; Loneski, on a pass from Penny; another pass from Kapuscinski to Gardner; and O'Drobinak's 12 yard score.

NOLL 13 INDIANAPOLIS CATHEDRAL 27

The battle-scarred Warriors journeyed to Indianapolis to meet the number two team in the State, Indianapolis Cathedral. The boys from the Capital City had too much for our boys and handed them a 27-13 defeat. Both Noll scores were made by O'Drobinak, one on a pass from Penny and another on a 26 yard run. Koliboski kicked the conversion point.

Watching from the bench, the boys are eager to get in.

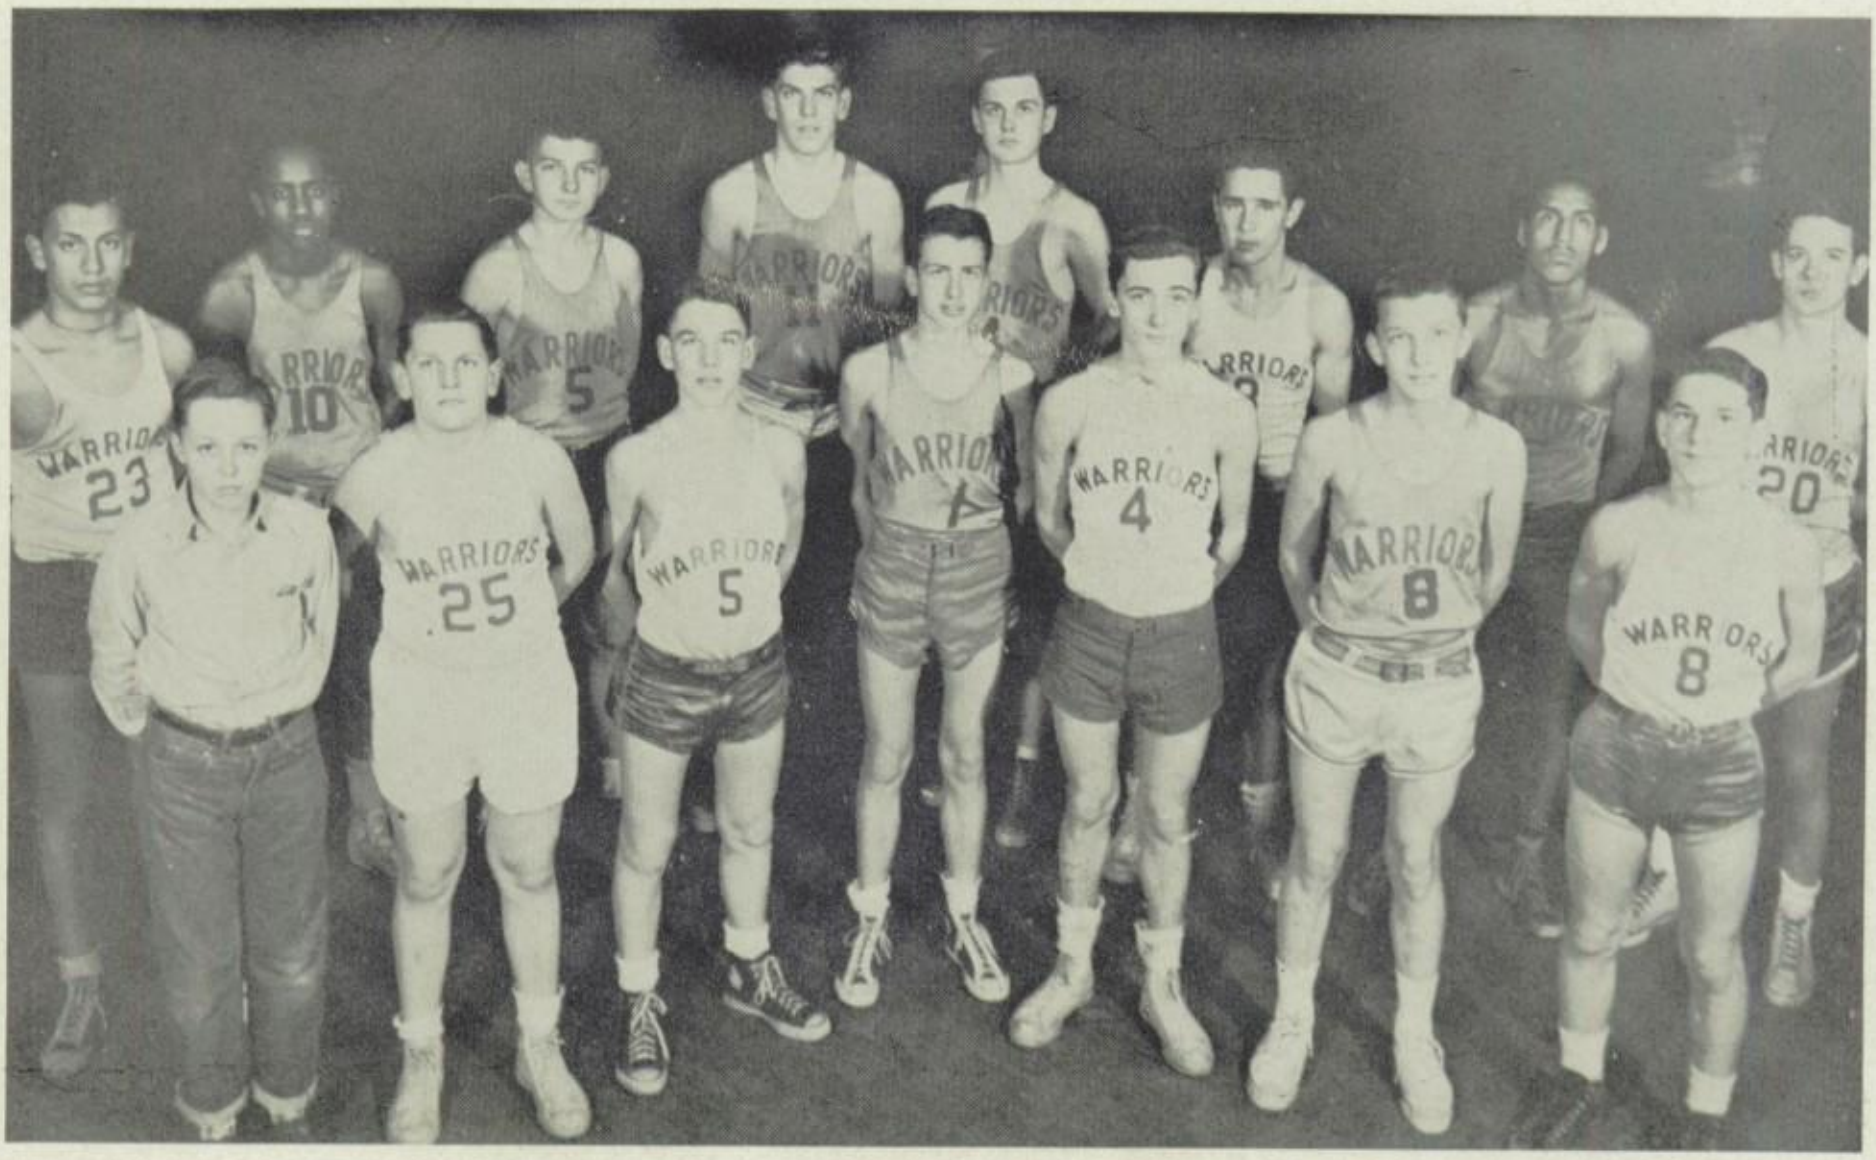
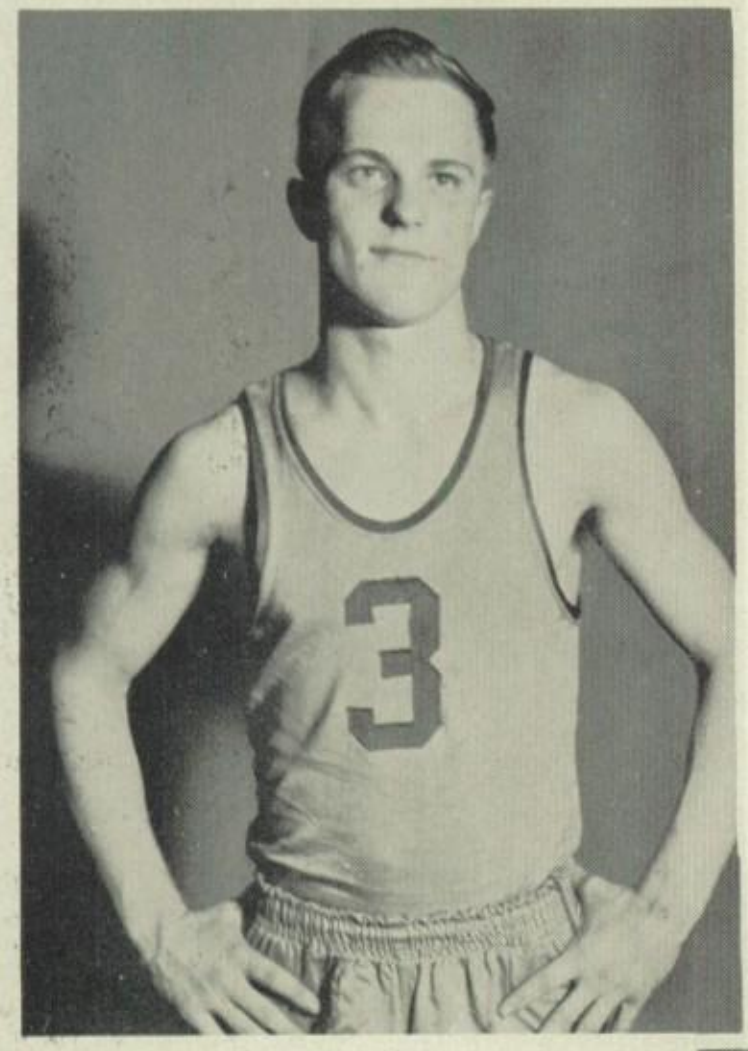
RESERVE TEAM

D. Powell, J. Rybicki, J. Bielefeld, E. Obremski, T. Keilman, J. Hughes.

FRESHMAN TEAM

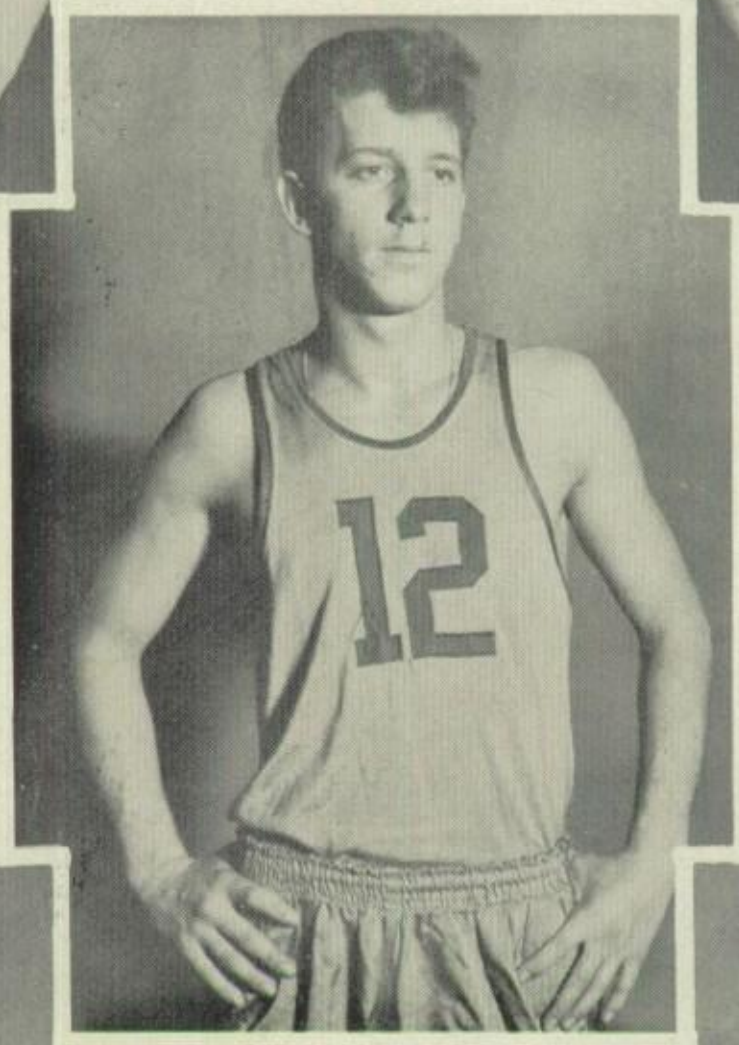
ROW 1: Mgr., J. Kozubal, F. Simko, D. Evans, D. Keilman, R. Rudzinski, R. Bradtke, R. Smolar.
ROW 2: R. Castello, J. Bell, R. Rielaskowski, M. Graney, R. Fabian, P. Rodriguez, J. Guzman, J. Myers.



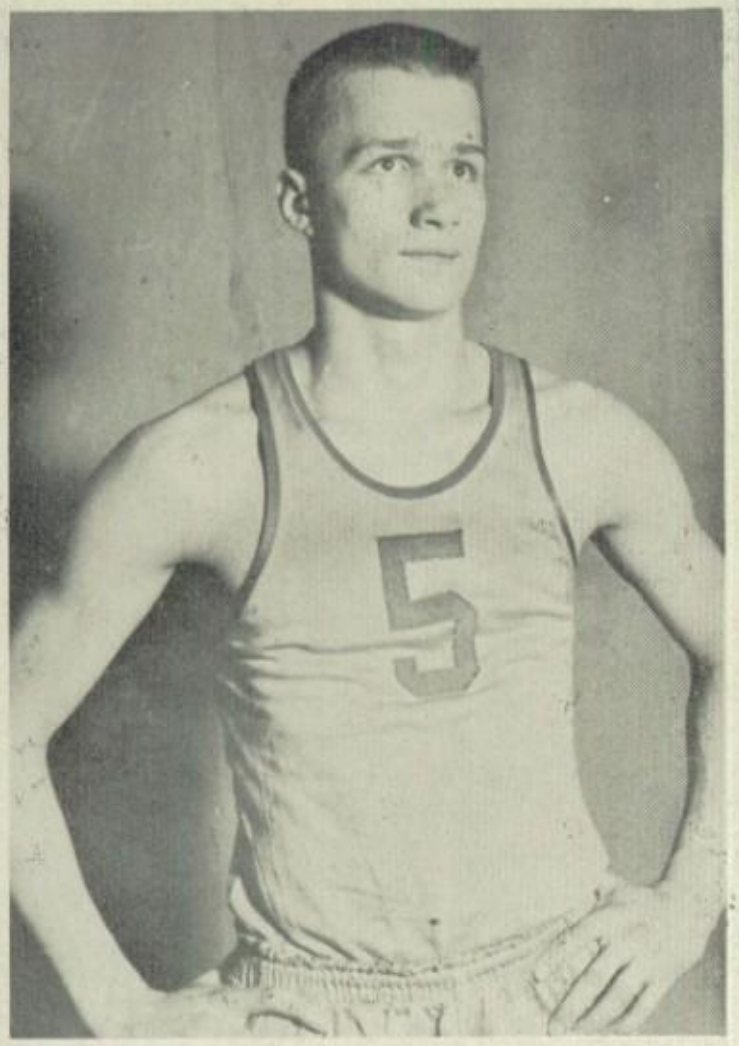


FRED HALON, the smallest and lightest man on the team at 5'7" and 132 pounds, is a valuable asset to the team. A Junior from St. Casimir's Parish, Hammond, Fred plays the position of guard.

VINCE BEDOY, a Sophomore from Our Lady of Guadalupe Parish in Indiana Harbor, is a hard fighting six foot, 165 pound guard.

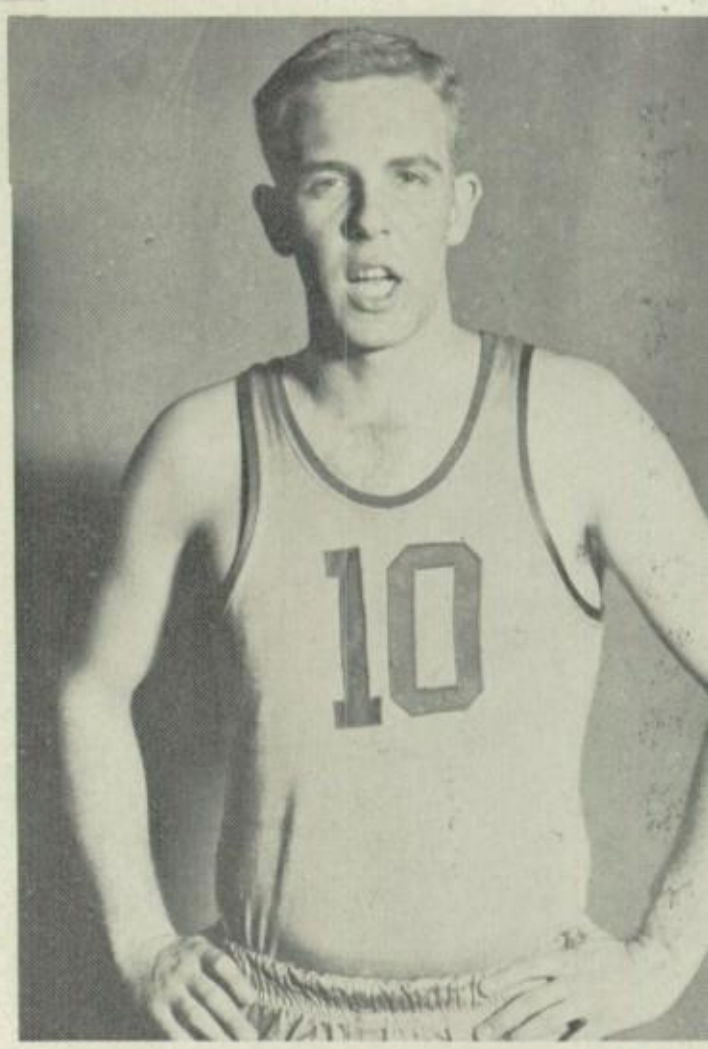


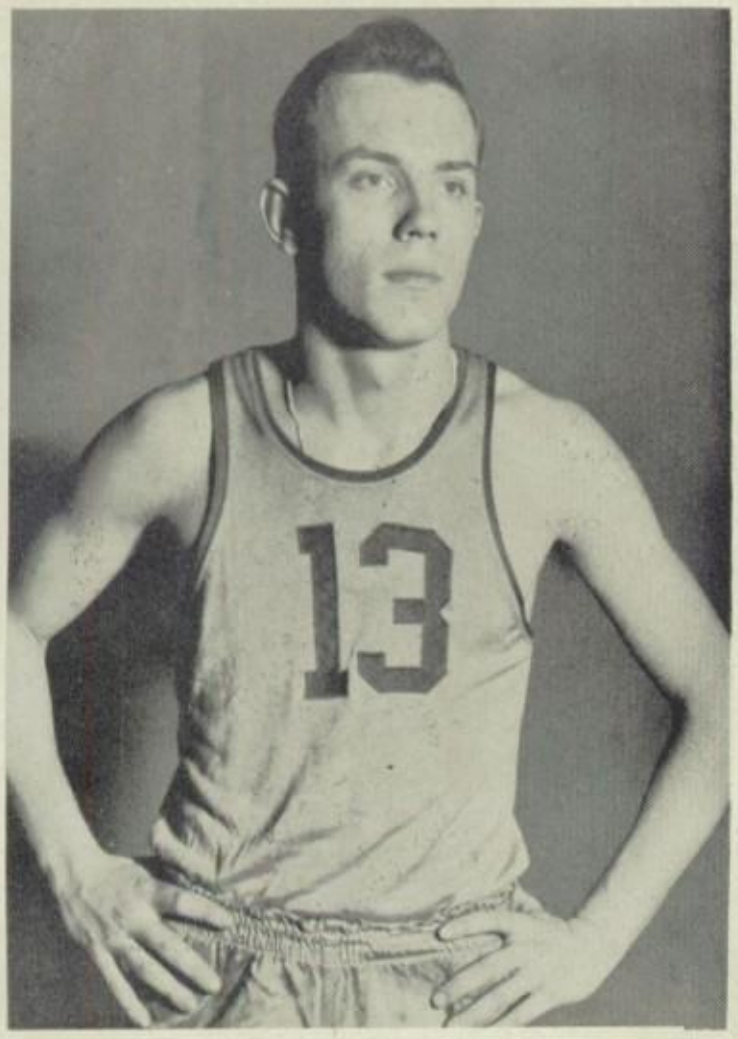
JOE KAPUSCINSKI, also plays guard on the Warrior team. Joe comes from St. Casimir's Parish, Hammond, stands 5'10", and weighs 145 pounds.



RON LONESKI hails from St. Victor's Parish in Calumet City. He stands 6'3" and weighs 178 pounds. Ron is a wonderful rebounder and high scorer from his center position. As a Sophomore, Ron shows much promise for the future.

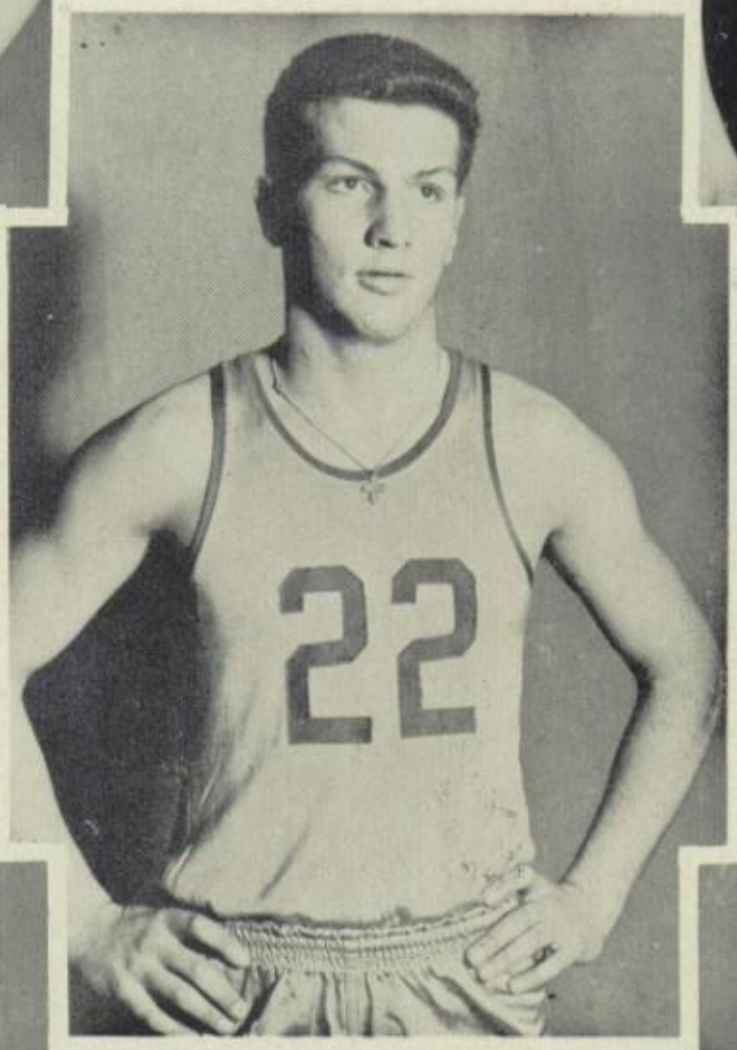
HOWARD SLIFKO is a husky 6 foot, 178 pound Senior from St. Patrick's Parish in Indiana Harbor. He is a sound, well developed player, and is especially noted for his ball handling.



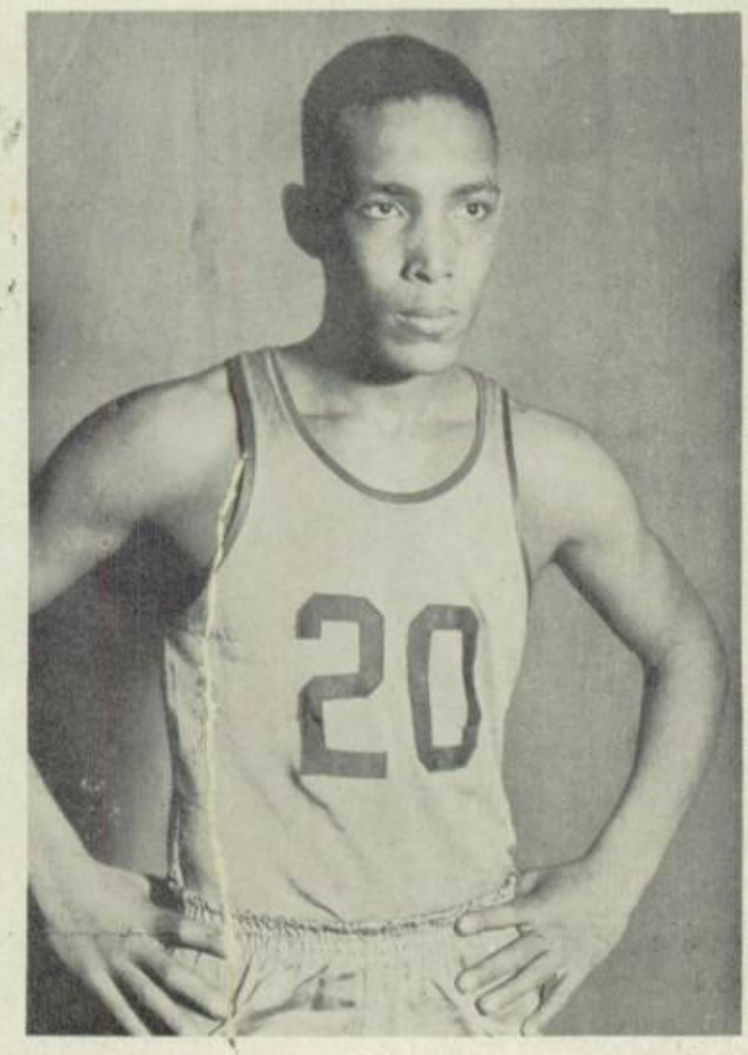


JACK O'DROBINAK, a six foot 173 pound Senior, is a well developed forward. Jack is a good ball handler, top scorer, and terrific defensive player. He comes from Immaculate Conception Parish in Whiting.

STAN KOSINSKI is a clever guard. Built on a 5'11" frame, this scrapping Junior from Indiana Harbor's St. John Cantius' Parish is a high scorer and good defense man.



RON GIOMETTI is a 6'1" 185 pound Senior who played grade school basketball for St. Patrick's of Indiana Harbor. Ron added rebound strength at the position of forward.



ED GARDNER, a fighting 6 foot 166 pound Junior from St. Monica's Parish, is one of the few boys from Gary to play on the Warrior squad. Ed is a good all round player, playing every position on the court.

BOB MICHALEK, of Whiting's St. John's Parish, is a 153 pound guard. This 5'10" Junior played fine ball for the Warrior squad this year.

WINTER FORMAL ATTRACTS MANY

The Winter Formal, a semi-formal dance traditionally held during the Christmas holidays, was sponsored by the Student Council. The gym was transformed into a ballroom by the decorations of Christmas trees, streamers, balloons, and confetti set to the theme of a "Winter Mardi Gras." Ken Nolan and his orchestra provided the music.

The Winter Formal is always enjoyed by many students and also attracts many former students of Noll. Many old friends are again reunited for an enjoyable evening.

Committee members were Mary Blake, Louise Biancardi, Carole Cera, Larry Grodzicki, Nora Lee Hebard, Carole Knapp, Judy Kochis, Bill Mahoney, and Steve Penny.
